*The Only Wheeled Carriage*: Photographs by Vedat Konyali

Hungry's Gallery is pleased to present *The Only Wheeled Carriage*, a solo exhibition featuring the work of Turkish photographer, Vedat Konyali. This exhibition will open on Saturday, March 7, 2009 at Hungry's Gallery - 2356 Rice Blvd. - and will be on view through April 6, 2009. The opening reception for this event will take place Saturday, March 7, 2009 from 4 – 6 p.m., with the artist's representative, Esen Thomas, commenting on Mr. Konyali's work at 5 p.m.

*The Only Wheeled Carriage* documents one of the world's dying professions, the driving of horse drawn carriages in Buyukada – the largest of the nine islands that make up the Princes' Islands close to Istanbul, Turkey. Konyali's striking color prints capture candid impressions of these rustic vehicles and the individuals that drive them on this beautiful island where all motorized vehicles are forbidden. Vedat Konyali was born in Karrabul, Turkey. His work has been included in several group and solo exhibitions around the world, and he is the recipient of both the Istanbul Amateur Photographer award as well as the title of Best Photographer from the Cinematographer's Association in Istanbul.
